Saint-Véran Le Grand Bussière

Single vineyard site on the commune of Prissé

Tasting

Beautiful gold green colour. Very expressive nose with slightly muscat notes, a little exotic. On the palate, the wine is very flattering, suave, with a beautiful minerality on the finish.

Terroir

Quaternary clay-limestone soil (Middle Bathonian)
Exposure: south-east
Altitude: 220 m
Slope: 5%
Very early ripening situation

Viticulture

Grape variety: Chardonnay
Plantation density: 8000 plants/ha
Average yield: 50 hl/ha
Tillage
Harvesting by hand

Vinification

Direct pressing, light settling, alcoholic and malolactic fermentation in oak barrels. Matured for 12 months in barrels and 6 months in stainless steel tanks. Racking, then light filtration before bottling. No gluing.
